

Shri G. S. Institute of Technology and Science, Indore
Department of Applied Mathematics and Computational Science

Action Taken Report

Session 2020-21

1. In this academic session classes conducted online for the first time for students and faculties, lots of challenges faced during delivering lectures students faced issues like unavailability of internet ,systems, electricity etc for which recorded lectures, smart classes and doubt sessions and one to one guidance was arranged with the help of faculties.
2. Apart from the action taken throughout the semester for better understanding of students, during online classes some of the issues were difficult to handle and these issues were gradually rectified as the session progressed.
3. Few modification in MA94208 has been suggested in BOS which were implemented for the betterment of students.
4. Due to increasing demand of candidates having PG in Applied Mathematics in industry and Software companies more focus given to improve their technical and soft skills.
