**The minutes of the meeting are as follows:**

1. The minutes of the previous BOS meeting held on 24.09.2025 were confirmed.
2. The syllabus for B.Tech I Year Chemistry was reviewed in detail and discussed, with no changes proposed. However, the BOS members raised concerns about reducing the number of credits allocated to the Chemistry subject in the B.Tech first year.
3. All the BOS members unanimously emphasized the critical importance of chemistry for first-year B.Tech students, noting its relevance in routine industrial operations, and suggested 3+1 credits for theory and practical, respectively.
4. A new elective subject of 3 credits titled **Battery Technology** is proposed, considering the increasing importance of battery systems in modern vehicles (syllabus attached).

The meeting ended with thanks to the chair.
