Department of Applied Mathematics and Computational Science

Subject: Minutes of meeting of Department Program Assessment and Quality Improvement Committee (DPAQIC) in DAMCS held on 27-05-2022.

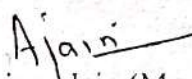

The meeting of DPAQIC in the department of Applied Mathematics & Computational Science was held on 27-05-2022 at 11.30AM in hybrid mode. The committee members made discussions and following recommendations were given by DPAQIC as:

1. Members suggested to introduce an Elective paper on Mathematical Modelling and Applications in Semester IV of M.Sc. program. Since Mathematical Modelling is an important research and monitoring tool used to understand the various engineering and biological models, its introduction in IIIrd semester will make students aware about the practical aspect and they may opt for research.
2. DPAQIC suggested to include appropriate textbook and reference books. Faculty are advised to visit syllabi of Institutes of National Importance.
