← 15 Suchita } AP TD

Pl. Note that:

1. Students are advised to report to their respective Guides immediately for commencement of their projects.
2. The students need to get their Appraisal reports duly filled and signed by their guides for appearing in any project assessment. Copy of appraisal can be taken from respective guides.
3. The tentative date for Title presentation is last week of August 21 and midterm Project Presentations is Fourth week of September 2021, where students need to present the progress of design and implementation of their projects. (At least 40% should be finished by this deadline).
