Shri G.S. Institute of Technology & Science, Indore-3 MP
Department of Industrial and Production Engineering

Date: 18/Feb./2021

Subject: - BOS Meeting in I.P.E. Department

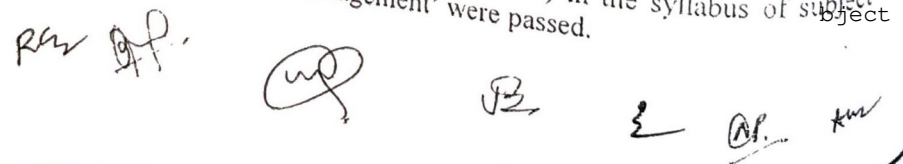

The BOS Meeting in I.P.E. Dept. was held on 9th Feb. 2021 at 3.00 PM at IPE Board Room. Following BOS members attended the meeting:

- | | |
|-------------------------|-----------------------|
| 1. Dr. A. Dalpati | Chairman & Head, IPED |
| 2. Dr. R. C. Gupta | Member |
| 3. Dr. G. D. Thakar | Member |
| 4. Dr. M. D. Dandekar | Member |
| 5. Shri Atul Modi | Member |
| 6. Dr. Sachin Balsara | Member |
| 7. Mrs. Neha Patkar | Member |
| 8. Shri S. Purohit | W/S Member |
| 9. Shri S. Mujalda | W/S Member |
| 10. Dr. R. S. Yadav | Invitee |
| 11. Shri Anil Sharma | Invitee |
| 12. Shri Praveen Mimrot | Invitee |
| 13. Shri Sumit Dwivedi | Invitee |

External experts could not attend the meeting.

The members discussed the agenda and following were recommended:

1. AICTE Based Model Schemes of both PG programmes (M.E. Industrial Engineering and Management, M.E. Manufacturing Engineering) were considered and passed.
2. The Course Outcomes (Cos) of all the subjects in both PG programmes were passed.
3. The subject 'IP33701: Advance Manufacturing Process' (T&P) is replaced with the subject 'ME33501: Mechatronics' (T&P) in VI semester.
4. The provision of On-Line courses (NPTEL/MOOCs/SWAYAM etc.) for IV B.Tech IPE is passed with the terms & conditions of institute norms and prior permission from IPE department.
5. 'IPxxxx: Research Methodology' is introduced as a compulsory subject in III Sem. of both PG programmes (M.E.-Industrial Engineering and Management, M.E.-Manufacturing Engineering). The detailed syllabus of subject 'IPxxxx: Research Methodology' was passed.
6. In the agenda item no.6, faculty members proposed minor corrections/modifications in some syllabus which are as under:
 - a) Some minor corrections (less than 10%) in the syllabus of subject 'IP43282: Project Management' were passed.

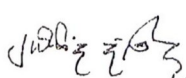

- b) Some minor corrections (less than 10%) in the syllabus of subject 'IP-26552: Manufacturing Processes-1' were passed.
- c) Major corrections in the Unit-5 in the syllabus of subject 'IP33701: Advance Machining Processes' were passed. A new subject code may be required to be assigned.
- d) Major corrections in the Unit-5 in the syllabus of subject 'IP43614: Product Management' were passed. A new subject code may be required to be assigned.
- e) As per the request from BOS of Mechanical Engg Deptt. the detailed syllabus of 'IP36504: Industrial Engineering and Production Management' is passed. The syllabus of subject 'IPxxxx: Quantitative Techniques for Management' (introduced as an Elective in PG Programmes of Mech. Engg. Deptt.) is also passed. It is recommended that this subject 'IPxxxx: QTM' may preferably be kept in first semester of PG programmes as the same subject (IP-81007) is offered in first sem. of ME (IEM).

Metsology & Production (IP 33xxx) New code
 The meeting ended with the vote of thanks to the chair. regd.

 (Dr A. Dalpati)
 Chairman, BOS (IPE)

Encl: PG.Schemes and copies of all the syllabi as mentioned above.
