## **Board of Studies Minutes**

Date: 11/07/2023

The meeting of BoS of the IT department was held on 7/7/2023 at 3:30 P.M. in the boardroom of

Agenda wise deliberations of the meeting are as follows:

## Agenda 1:

Getting suggestions for upgrading the current scheme of various courses of the department according to the New Education Policy.

### BoS recommend the following:

Do the SWOT analysis and refer to the schemes of the B.Tech. (IT) and M.Tech. (IT), of various reputed institutions across the country which are following the New Education Policy. In the subsequent meetings, the schemes of B.Tech. (IT) & M.Tech. (IT) courses will be prepared and discussed in the next BoS for the approval.

#### Agenda 2:

Discussion for making two sections of 2nd year B.Tech. IT due to increased intake.

The need of two sections was discussed in light of increased intake of B.Tech. IT from 90 to 120 students. In 2nd year including admission of lateral entry students, backlog students etc., the expected number of students are 170 approx. It is difficult for the teacher to teach 170 students in a single class. In light of maintaining the quality of teaching and learning process, the recommendation of the expert and the internal members of the BoS is to make the two sections of 2nd year B.Tech. IT from the upcoming academic session i.e. July-2023 to June 2024 onwards.

## Agenda 3:

Discussion to revise the PSO's.

Graduates will be able to apply core knowledge of mathematics, science, and engineering to solve complex problems and design effective solutions. They will demonstrate proficiency in using modern tools and technologies relevant to their field, while adhering to professional ethics and societal responsibilities.
