Following are the deliberations of the meeting:

1. Scheme & Syllabus of UG IInd Year was revised last year as per the AICTE Guidelines. Now Scheme & Syllabus of IIIrd & IVth Year is required to be updated as per the AICTE guidelines. However some changes can be made as per the current requirements. Faculty members are required to prepare the syllabus of IIIrd & IVth Year with reference to the Model Curriculum of AICTE for discussion and approval in upcoming BoS.
2. Scheme of M.E Electronics & Communication is proposed as per AICTE Guidelines. Faculty members teaching M.E courses are required to prepare the syllabus with reference to AICTE model curriculum of PG for discussion and approval in upcoming BoS.
3. Looking into present Covid-19 situation it is highly expected that next few semesters will be held in ONLINE Mode. Therefore the faculty members are required to prepare themselves to teach in online mode.
