

Shri Govindram Seksaria Institute of Technology and Science, Indore

NOTICE

SGSITS/T&P/Student/17062022/01

Date : 17-Jun-2022

With reference to ongoing Placement Registration Process for students who would be passing out in May, 2023 (i.e. 2023 Batch) all the students of UG & PG courses i.e. B.Tech., B.Pharma., M.Tech., M.Pharma., M.Sc., M.B.A., M.C.A. are instructed to follow the required procedure with utter seriousness and sincerity. This registration is mandatory irrespective of a student's interest in participation in Placement Process.

The last chance for completing the whole process will be provided during 17-Jun-2022; 08:00PM to 19-Jun-2022; 06:00PM. After this no further chances will be provided ever and students who are not registered for placements will not be able to participate in any placement activities throughout the upcoming session 2022-23.

All the UG & PG students of 2023 Batch (passing-out batch) should also take the communications received from the T&P Cell seriously and do the needful on priority.

Important Note :

- * Those students who won't complete the process strictly as per guidelines (which are shared well in advance) will not be able to participate in any campus activities throughout the session 2022-23.
- * This process is mandatory for all the regular students of 2023 passing-out batch irrespective of their interest in placement process participation.
- * No issues will be entertained after this last chance.
