Web of Science Training Programme

Our Institute has received the AICTE funded Online access of 'Web of Science' (WOS) e-resources for One Year through the **WOS Website: www.webofscience.com**

On our request, the Web of Science (WOS) trainer has confirmed to conduct 'Web of Science' training session exclusively for SGSITS faculties and students on **22nd of June 21 from 12:00 pm to 1:30 pm** through Microsoft Teams meeting platform.

All Faculties and Students are requested to attend the training session of WOS as above. This training session will be an orientation session on how to best use the Web of Science™, the world's most authoritative citation indexing database for :-

- Conducting scientific research discovery
- Identifying high impact journals
- Identifying research trends
- Finding research collaboration partners, and
- Identifying research funders.

Please **[Click here to join the meeting](#)** or go through the following **Microsoft Teams Meeting** platform link -
